North Central Health Services Nonprofit Executive Development Initiative Guidelines

North Central Health Services is offering scholarships to area nonprofit executive directors, supervisors and emerging leaders interested in receiving their certification in Nonprofit Executive Leadership.

The IUPUI Nonprofit Executive Leadership program is an executive education certificate program utilizing an accelerated curriculum to fit executives' busy schedules. Four two-day seminars are held over the course of eight months beginning in March 2022 (click [here](#) for course descriptions and program information):

Strategic Planning and Nonprofit Leadership

Program Evaluation for Mission Impact

Nonprofit Management for the 21st Century

Financial Analysis for Nonprofit Leaders

Past scholarship recipients report that the coursework is most beneficial for emerging leaders and those who have held executive director/CEO roles for five or fewer years.

Application Requirements

The IUPUI Nonprofit Executive Leadership program is an open-enrollment program with no application requirements; however, consideration for tuition assistance from NCHS requires submission of an application and current résumé.

Eligibility Criteria

- ✓ Currently serve as executive director/CEO *or* report directly to/work closely with an executive director or CEO
- ✓ Have worked in the NCHS service area* for 5+ years

**The NCHS service area includes Benton, Carroll, Clinton, Fountain, Montgomery, Tippecanoe, Warren, and White counties in Indiana.*

In accordance with NCHS general funding guidelines, employees of municipal or public agencies, philanthropic foundations, religious organizations, primary or secondary schools, higher education institutions, or health care delivery organizations (excluding Federally Qualified Health Centers), are ineligible for consideration.

Selection Preferences

- Nonprofit organizations that serve the Health and Human Services sectors
- Proven commitment to serving vulnerable populations and improving their health and well-being
- Demonstrated commitment to the applicant's NCHS service area community
- Experience and record of accomplishment within the nonprofit sector
- Potential for assuming increased leadership roles in their current organization and in their community

Commitments if Selected

- (1) Recipients will commit to attending all course sessions to complete the certificate
- (2) Recipients must be able to travel to/from Indianapolis
- (3) Recipients may or may not be compensated for time off to attend by their employers
- (4) Recipients will commit to evaluation and information-sharing during and after completion of the program:
 - At completion of the program, participants complete a brief assessment of the quality of the training and their experience in the program to the funder
 - One year after completion of the program, participants submit a brief report to the funder on the personal and organizational impact of the training received
